

*** CAREER OPPORTUNITY ***

UNITED STATES DISTRICT COURT NORTHERN DISTRICT OF TEXAS

Position Title:	Programmer #13-01
Location:	Dallas, Texas
Closing Date:	Open until filled
Starting Salary/Range:	CL-27/28 (\$48,547 - \$94,584)*

***Depending upon qualifications and experience**

POSITION OVERVIEW:

This position is located in the District Clerk's Office in Dallas, Texas and is responsible for performing professional work related to analyzing, designing, modifying, and adapting existing software. The incumbent must have experience involving software development with multiple languages, such as VB.NET, C#, and ASP.NET. Programmers at this level are primarily responsible for writing code. This position reports directly to the Assistant Information Technology Manager - Development.

REPRESENTATIVE DUTIES:

- Performs testing, research and validation of locally developed automation software.
- Installs and tests new versions of the database management system (DBMS). Provides technical systems support and administration including installing new version releases and backup services.

QUALIFICATIONS:

The incumbent should possess knowledge of applicable programming languages, databases, and application design. Knowledge of computer systems and networks. Skill in writing computer programs for various purposes, including skill in writing program documentation. Ability to make decisions within the context of professional standards, broad policies, or strategic goals. Ability to resolve problems, questions, or situations based on advanced and thorough knowledge and experience with court policies, practices, and guidelines. Incumbent will maintain current skills through seminars, training, and personal development. Qualifications include, but are not limited to broad knowledge of the functions and procedures of the Clerk's Office.

GENERAL EXPERIENCE:

A minimum of 2 years of progressively responsible experience that provides evidence that the applicant has (1) the ability to effectively communicate with others, orally and in writing; (2) the ability to analyze problems and assess the practical implications of alternative solutions; (3) a good understanding of the methods for accomplishing the work of an organization; and (4) the capacity to utilize the knowledge, skills, and abilities in the resolution of problems. Ability to develop and modify computer programs for court needs. Ability to utilize an IDE for development, testing, and debugging of software.

SPECIALIZED EXPERIENCE:

At least 1 year of experience developing web applications using languages such as, VB.NET, C#, ASP.NET, and third party controls such as Telerik or Dev Express. Progressively responsible experience designing, implementing or maintaining computer systems, which include the completion of computer project assignments, computer programming, and systems integration. To qualify for the CL-28, more than one year of specialized experience equivalent to work at a CL-27 is required.

Design, engineering, maintenance, and support of application programs for multiple platforms. Use of IDEs, such as Visual Studio to create and maintain programs which utilize various technologies. Knowledge of relational database theory, DBI layer, and associated practical experience using Informix and SQL Server.

MINIMUM EDUCATION REQUIREMENTS:

An associate's degree from an accredited college or university in computer science, information systems, or a related field is preferred.

BENEFITS:

Employees of the U.S. District Court are entitled to benefits which include health and life insurance programs, scheduled holidays and periodic salary increases. The Court is not authorized to reimburse candidates for travel or moving expenses. This position is subject to mandatory Electronic Funds Transfer participation for payment of net pay.

The final candidate will be subject to a background investigation by law enforcement agencies, which includes FBI fingerprinting. The applicant must be a United States citizen or a lawful permanent resident (i.e., green card holder) who is seeking citizenship.
